- A. * Date of Issue = The date your visa is granted
- * Validity Period of Visa = **MUST ENTER REPUBLIC OF KOREA DURING THIS PERIOD**
- * Period of Stay = Applicant can stay in Republic of Korea during this period. The period of stay will be counted starting from the date of entry in Korea.
- * Please note that the Period of Stay indicated does not imply you can remain in Korea until the end of that period. Upon receiving your Alien Registration Card (ARC) at immigration office in Korea, it will validate your entire duration of stay in Korea.

**Q3. What do I do after I enter Korea for a Long-term stay as a student?
And can I stay longer after my visa expires?**

A. After entering Korea, you must go to the Immigration Office in Korea to register yourself as a foreigner living in Korea. At the Immigration Office in Korea, you will receive a Residence Card that indicates the type of visa you have.

KVAC does NOT issue nor extend the validity of ARC. The ARC must be returned to the immigration office at the airport.

FAILURE TO DO SO WILL RESULT IN A FINE.
